#### (PAGE LEFT BLANK INTENTIONALLY)

#### **Action Plans to Achieve Goals**

BEFORE Your Day Begins:

√ Identify "What Would Make Today Great"

√ Identify YOUR Commission Goal

√ Identify Two Action Plans to Achieve YOUR Goals

| What Would Make Today Great?          |                                      |
|---------------------------------------|--------------------------------------|
| Commission Goal:                      | Commission Actual:                   |
| I am committed to the following activ | vities today:                        |
| 1.)                                   |                                      |
| 2.)                                   |                                      |
| Notes:                                |                                      |
|                                       |                                      |
|                                       |                                      |
|                                       |                                      |
|                                       |                                      |
|                                       |                                      |
|                                       |                                      |
|                                       |                                      |
|                                       |                                      |
|                                       |                                      |
|                                       |                                      |
|                                       |                                      |
|                                       |                                      |
